

PRESIDENT'S WELCOME

Feeling blue about the many changes facing your rheumatology practice? Are you ready to "Pick Your Pace" and report on MARCA using MIPS? Are you properly billing and documenting "Incident To" encounters? Is your practice HIPAA and OSHA compliant? Is it prepared for audits? Join us at our Annual Conference in Kansas City, Missouri September 14 – 16. Our expert speakers and educational sessions will be music to your ears as you enjoy the comforting sounds of knowledge to help further develop your management skills and successfully lead your practice into the future.

Is it time to bring in a mid-level or new doctor? The NORM Educational Committee (NEC) will have you dancing to the music and exploring ways to analyze your practice to determine what type of provider will fulfill your practice needs. Let the NEC ease your growing pains by showing how to on-board a new provider.

Education and support for our membership remains a primary goal for NORM. For the third year, NORM will offer the AAPC Certified Rheumatology Coder (CRHC) Proctored Test and Prep course. This test and prep course is open to NORM members, physicians, and staff. For more information about registering for the CRHC test, please visit our website at normgroup.org

Each year I listen to first-time conference attendees express their surprise and delight upon discovering the vast networking experiences and rheumatology specific content of our conference. NORM's membership continues to grow by providing rheumatology specific educational and informative conferences. Throughout the year, NORM keeps our membership updated on current regulatory changes and payer changes with timely Town Halls and educational webinars.

I would like to thank all the physicians who understand and support the value of NORM for sending their managers to the annual conference. Your support contributes to the success of NORM.

Don't miss out on the rheumatology event of the year; bring your knowledge, leadership and passion as we "Get Jazzed About Rheumatology". There are no strangers at our conference, only friends we have yet to meet. Join me at the 2017 NORM Annual Conference in Kansas City, Missouri.

Together our future is bright!

Ethel Owen
President of NORM
